

October 1, 2009

Dear Transportation Provider:

We are pleased to inform you that AmeriChoice by UnitedHealthcare has received regulatory approval to use LogistiCare, the nation's leading manager of non-emergency medical transportation, to coordinate transportation for our members in New York City (Brooklyn, Manhattan, Queens, Staten Island, and the Bronx) as well as Nassau, Suffolk and Onondaga counties.

LogistiCare will be arranging and providing all transportation for AmeriChoice members on or after **November 1, 2009**. Please invoice AmeriChoice for services provided up to and including October 31, 2009.

Any contracts that you have with AmeriChoice of New York, Inc. or United Healthcare of New York, Inc. will be terminated when this new program begins on November 1.

In addition to the benefits we believe that our AmeriChoice members will gain from LogistiCare's management of our transportation program, you will also enjoy substantial benefits and resources from your relationship with LogistiCare, including:

- Business management consultation
- Group purchasing power (insurance, vehicles, background checks)
- Revenue stability through regular payment of completed trips on a two-week cycle
- Increased business volume
- Free online driver training
- Discounted vehicle insurance through a sponsored insurance program

We invite you to visit LogistiCare's web site (www.logisticare.com), which will provide additional information about the company and the services it offers. If you have any questions, please contact LogistiCare's Joseph M. Kukura, Director of Operations – NY at (347) 421-3295 or via email at josephku@logisitcare.com.

Very truly yours,

Lili Brillstein
Vice President,
Provider Relations & Network Management
